Durable Medical Equipment

We inventory an extensive line of top quality equipment and accessories. We gladly accommodate our doctors, health care professionals and clients with fast and efficient special orders on any item not in stock.

Hospital Beds - We stock, deliver, and set up beds. Sheets and bedding are also available.

Orthopedic - We carry an extensive line of orthopedic products. Hand and wrist splints for carpal tunnel, arm slings, finger protectors, tennis elbow and wrist supports, knee immobilizers, neoprene pull-on and wrap-around hinged knee braces, side knee protectors, pull-on and lace-up ankle braces, cervical collars, rib belts, abdominal binders, foot care, walking boots, cast protectors, fracture

Diabetic Shoes - Certified fitters are on staff to measure and fit diabetic shoes and orthotics. The patient's foot is measured and given a full evaluation to ensure the best fit possible. Medicare covers one pair of shoes and 3 (three) orthotics per calendar year. We also accept Medicare assignment. See Diabetic Shoes under the Services tab for details.

Braces - for arms, necks, wrists, elbows, knees, feet and backs are available and in stock.

CPAP - Our on-site CPAP specialist can help you with a mask fitting and give you a personal guide on the use of CPAP and BIPAP machines and masks. We carry Philips Respironics, ResMed, and Fisher Paykel brands for masks and supplies. CPAP tubing and filters are also available. We also service most brands of CPAPS regardless of where you purchased the machine. Call us for details.

Oxygen - We have a respiratory specialist and registered nurse on staff. We keep a broad range of oxygen related items, supplies, and devices on hand. See CPAP/Oxygen under the Services tab.

Mastectomy Bras and Prosthesis - Visit our Pink Petal Boutique conveniently located next to Access Pharmacy. Pink Petal is a culmination of many years experience in post-mastectomy care. Our expert staff includes a registered nurse and certified fitters who offer compassionate, discrete, loving care to our clients. See Pink Petal Boutique under the Services tab for details.

Catheters - Click on the Catheters Button on our home page for additional information.

Personal Mobility - Click on the Person Mobility Button located on our home page for additional information on wheelchairs, transport chair, lift chairs, bath benches, standard walkers, wheeled walkers, knee walkers, rollators, and walking canes.
