Easy-to-Use Medication Pouches

- Multiple daily medications can be challenging. With medicine packets clearly labeled with patient information and schedules, Access E-Z Paks help you keep track of who needs what medications at what time.
- E-Z Paks are convenient to manage and accurately dispense.
- Pocket-size portability / take medication directly out of pouches bedside.
- E-Z Paks reduce the risk of dispensing the wrong medication and other medication errors.
- E-Z Paks are perfect for all ages: (from kiddos and school nurses to great grandparents needing assistance)
- All Major Insurance plans are accepted
- Fast, Local Delivery
- Two different packaging systems: EZ Pak and Medicine On Time (EZ Pak is our most popular)
